- Health & Safety concerns
- Theft
- ... and more

My SafeWorkplace is your personal independent 24 hour compliance reporting system. This confidential and, if you so wish, anonymous tool makes it easy to report workplace incidents and to ask compliance related questions that you don't feel able, for whatever reasons, to discuss with your superior. Either log on at www.MySafeWorkplace.com or call free on 001-720-514-4400 to make a report any time of the day or night. Your confidential report will be instantly and discreetly forwarded for review and proper handling. After submission, you will be able to receive and send messages about your report.
